[Fur?siyya](#) Aug 26 2022 Furusiyya in the East meets Chivalry in the West. Discover how these distinct practices of combat and knightly values led to a specific culture in the Islamic East and the largely Christian West. This unique exhibition explores the ancient roots of chivalry as well as the role of a knight in combat and the different chivalric codes that developed around the world, from Iraq and Syria in the East, to France and Spain in the West. Through over 130 rare artworks from the 10th to the beginning of the 16th centuries, including spectacular arms, armour, and rare manuscripts, discover how some of these practices and the knightly spirit became a past time, and how some of them continue around the world to this day. Exhibition: Louvre, Abu Dhabi, United Arab Emirates (19.02.-30.05.2020).

[Playing with Super Power](#) Jan 27 2020 The Console: A nostalgic celebration and exploration of the Super Nintendo Entertainment System in all its 16-bit glory. The Games: Discover everything you've always wanted to know about some of the most beloved SNES games, including the previously unreleased Star Fox 2! The History: Learn about the SNES development and the visionaries behind this groundbreaking console. The Legacy: An in-depth look at how the SNES has left its mark on the gaming industry, and how its legacy continues. The Memories: Featuring a plethora of fan art, music, and more, this book is a love letter to playing with Super Power! Speedrunning Tips: Some of the best speedrunners around share their tips and strategies for getting the best times in these beloved classic games. Exclusive Foreword: Written by Reggie Fils-Aim, President and COO of Nintendo of America. Collectible hardback version with slipcase.

Ulla von Brandenburg (English Edition) Jul 25 2022 From a background rich in literature and the history of arts and architecture—as well as psychoanalysis, spiritism and magic—Ulla von Brandenburg explores the shaping of our social constructs with borrowings from theatrical codes and mechanisms, together with esoteric rituals and popular ceremonies. For her exhibition at the Palais de Tokyo she has conceived a total, constantly evolving project inspired by the theatre, its imaginary realm and its conventions. With ritual as her starting point, she invites the public to experience an immersive reinterpretation of the themes, forms and motifs—including movement, the stage, colour, music and textiles—that fuel her oeuvre. Book published on the occasion of Ulla von Brandenburg's solo exhibition at the Palais de Tokyo, 21.02 – 13.09.2020

Handbook of Canadian Foreign Policy Jan 19 2022 Handbook of Canadian Foreign Policy is the most comprehensive book of its kind, offering an updated examination of Canada's international role some 15 years after the dismantling of the Berlin Wall ushered in a new era in world politics. Tackling recent developments in Canadian foreign policy, the authors of this work spotlight Canadian idiosyncrasies within a global context that are defined by wrenching juxtapositions. The specialists who have contributed their expertise to this book provide sophisticated analysis—conceptual as well as historical—rather than simply impressionistic judgments about contemporary events. Highlighting both well-known and understudied topics, this handbook presents a marriage of the familiar and the underappreciated that enables readers to grasp much of the complexity of current Canadian foreign policy and appreciate the challenges policymakers must meet in the early 21st century.

Smoke on the Ground Feb 08 2021 "This opens on a landscape so empty of familiar reference points and a culture so reduced and stylized that it might well be mistaken for Delibes' fantasy instead of the provincial Spain we've come to know through so many more sentimental novels. But it is just this presentation -- the author's unromantic way of preferring facts while withholding their context -- which makes something special of a story that could not have survived a heavier touch. It revolves around a boy named Nini who lives in a cave with his uncle/father, an opaque dawn-man called "the Ratter." They exist by hunting rats for village tables; but Nini also acts as a kind of resident oracle, having absorbed an otherwise lost tradition of farmer lore from an old man who is scorned by the others. These others, and especially the few villagers of "substance," have vested their hopes in the remote world of education, engineering, civil government, etc.; and two in particular, Justito the Mayor and an imperious bourgeoisie known as "the Eleventh Commandment," devote their powers to reforming Nini and the Ratter. This despite mounting evidence that modernization is a dangerous concept in the crumbling local economy. Still, the vision is darkly equivocal and Nini, helplessly alone in his comprehension, is simply the nerve which registers a historical truism as the experience of doom. His story takes place in the hiatus between traditions which Delibes realizes via a spare, tensile, tragicomic poetry; it is essentially a modest work unlikely to claim all the attention it deserves."--Kirkus

Bad Boy May 23 2022 Jon is Mr Perfect - handsome (in a nerdy sort of way), caring, lots of money - so why can't he get a girlfriend? Even his best friend Tracie always goes for bad boys; because women secretly love BAD. Jon's desperate, but Tracie can help - she can teach him the Bad Boy Rules.

Daughter of Fortune Feb 26 2020 From the New York Times bestselling author of The House of the Spirits, Isabelle Allende, comes a passionate tale of one young woman's quest to save her lover set against the chaos of the 1849 California Gold Rush. Orphaned at birth, Eliza Sommers is raised in the British colony of Valparaiso, Chile, by the well-intentioned Victorian spinster Miss Rose and her more rigid brother Jeremy. Just as she meets and falls in love with the wildly inappropriate Joaquin Andieta, a lowly clerk who works for Jeremy, gold is discovered in the hills of northern California. By 1849, Chileans of every stripe have fallen prey to feverish dreams of wealth. Joaquin takes off for San Francisco to seek his fortune, and Eliza, pregnant with his child, decides to follow him. As Eliza embarks on her perilous journey north in the hold of a ship and arrives in the rough-and-tumble world of San Francisco, she must navigate a society dominated by greedy men. But Eliza soon catches on with the help of her natural spirit and a good friend, the Chinese doctor Tao Chi'en. What began as a search for love ends up as the conquest of personal freedom. A marvel of storytelling, Daughter of Fortune confirms once again Isabel Allende's extraordinary gift for fiction and her place as one of the world's leading writers.

[Hockey Plays and Strategies, 2E](#) Jan 07 2021 Hockey Plays and Strategies features a variety of plays, systems, and strategies for game play in the offensive, neutral, and defensive zones. Special situations such as the power play, penalty kill, and face-offs are also featured.

Bowling For Dummies Dec 06 2020 The fast and easy way to perfect your bowling game Bowling is an inexpensive date, an affordable night out for the whole family, and a fun hangout activity for kids of all ages. Bowling For Dummies reveals the tips, tricks, and rules of play for this iconic American sport. While not every player can hope to bowl 300, you can improve your average and show off for friends, family, and bowling league teammates. Bowling For Dummies provides easy-to-understand instructions for improving your bowling game. The expert tips and advice take you through every step of the game, from selecting the right shoes to the proper way to yell, "Strike!" Packed with photos and line drawings Step-by-step instructions and illustrations included for all techniques Covers beginner through more advanced techniques Whether you're a casual bowler or on a bowling league, the practical, friendly advice in Bowling For Dummies will have you itching to hit the lanes to try out your new skills.

Lives of England's Reigning and Consort Queens Oct 16 2021 This book, Lives of Reigning and Consort Queens of England: Englands History through the Eyes of its Queens, is a factual narrative on lives of Norman, Plantagenet, Tudor, Stuart, Hanover, and Windsorqueens covering a millenium of English History. The biographical portraits start at the close of the Dark Ages with the Norman Conquest of 1066, and continue to Modern Time in the life of present Queen Elizabeth II. This narratiiev of fifty short chronologicalbiographies gives a view ijnto life and courtly customs from an age far removed from the present toward the way of life we know today. Through the lives of these women, one sees Englands history unroll. Although the narratives are brief, they bring individuals to life withoutjudgmental prejudice as unique personalities. One of the fifty personalities, 7 were reigning queens, 38 were queen consort wives of moonarchs, and 5 were wives of favorites who did not reign, but who played a significant role during the life of

a ruling king. This sample of woMen on the throne, or close to the throne is too large to expect any single quality can characterize them all: Some served as exemplary reigning queens, or as consorts whom actively supported a sovereign husband or son. Some assertively played the part of regent as a significant power behind the throne. Some influenced historic events for religious reasons. Many avoided political involvement, but had great influence on culture and custom. Some had personal qualities that made them inherently interesting and deserving of friendship. A relatively small number of the queens were entirely unsuited to be queens. Some queen consorts resisted familiarity and remain enigmatic effigies. Some were apwns manipulated by historic events of the time and deprived them of opportunity to elave a personal mark of hstory. Others served chiefly as supportive mothers and wives.

The Spirit of Intimacy Aug 02 2020 A renowned, respected teacher and mentor to thousands, Sobonfu Somi is one of the first and foremost voices of African spirituality to come to the West. Somi was born in Dano, Burkina Faso, a remote West African village with a population of about two hundred people. Dano has preserved the old ways of African village life, with family structures, spiritual practices, and methods of living that have been in place for more than ten thousand years. In *The Spirit of Intimacy*, Somi distills the ancient teachings and wisdom of her native village to give insight into the nature of intimate relationships. Somi generously applies the subtle knowledge from her West African culture to this one. Simply and beautifully, she reveals the role of spirit in every marriage, friendship, relationship, and community. She shares ancient ways to make our intimate lives more fulfilling and secure and offers powerful insights into the "illusion of romance," divorce, and loss. Her important and fascinating lessons from the heart include the sacred meaning of pleasure, preparing a ritual space for intimacy, and the connection between sex and spirituality. Her ideas are intuitively persuasive, provocative, and healing--and supported by sound practical advice, along with specific rituals and ceremonies based on those used for thousands of years. With this book, the spiritual insights of indigenous Africa take their place alongside those of native America, ancient Europe, and Asia as important influences on Western readers.

Kingdoms of Faith Jul 01 2020 A magisterial, myth-dispelling history of Islamic Spain, from the founding of Islam to the final expulsion of Spain's Muslims in the seventeenth century.

Mediating Post-Socialist Femininities Dec 26 2019 Twenty-five years after the fall of the Berlin Wall, this collection of essays examines the ways in which popular media re-construct ideas and ideals of femininity in the post-socialist cultural space. The authors explore a comprehensive range of questions including: How have post-socialist women engaged with media as media producers and consumers, as well as objects of media representation? What are the consequences of the commodification of femininity in the post-socialist context? How does the female body serve as a battleground for the enactment and renegotiation of gendered identities and ideologies? How can we understand and theorize post-socialist women's activist movements? In seeking answers to such questions, this volume highlights the need to reconsider feminism as a political and theoretical project with many faces. It bridges research on the mediation of post-socialist femininities with broader concerns about the transnational trajectories of feminism today. This book was originally published as a special issue of *Feminist Media Studies*.

Granite Mountain Apr 29 2020 The true story behind the events that inspired the major motion picture *Only the Brave*. A "unique and bracing" (Booklist) first-person account by the sole survivor of Arizona's disastrous 2013 Yarnell Hill Fire, which took the lives of 19 "hotshots"--firefighters trained specifically to battle wildfires. Brendan McDonough was on the verge of becoming a hopeless, inveterate heroin addict when he, for the sake of his young daughter, decided to turn his life around. He enlisted in the Granite Mountain Hotshots, a team of elite firefighters based in Prescott, Arizona. Their leader, Eric Marsh, was in a desperate crunch after four hotshots left the unit, and perhaps seeing a glimmer of promise in the skinny would-be recruit, he took a chance on the unlikely McDonough, and the chance paid off. Despite the crew's skepticism, and thanks in large part to Marsh's firm but loving encouragement, McDonough unlocked a latent drive and dedication, going on to successfully battle a number of blazes and eventually win the confidence of the men he came to call his brothers. Then, on June 30, 2013, while McDonough--"Donut" as he'd been dubbed by his team--served as lookout, they confronted a freak, 3,000-degree inferno in nearby Yarnell, Arizona. The relentless firestorm ultimately trapped his hotshot brothers, tragically killing all 19 of them within minutes. Nationwide, it was the greatest loss of firefighter lives since the 9/11 attacks. Granite Mountain is a gripping memoir that traces McDonough's story of finding his way out of the dead end of drugs, finding his purpose among the Granite Mountain Hotshots, and the minute-by-minute account of the fateful day he lost the very men who had saved him. A harrowing and redemptive tale of resilience in the face of tragedy, Granite Mountain is also a powerful reminder of the heroism of the people who put themselves in harm's way to protect us every day.

Ronnie Jun 19 2019 Ronnie is snooker's most written and talked about player, and its greatest showman. His supreme talent and style have made him the People's Champion and, as one commentator put it, 'the question is not how much does Ronnie O'Sullivan need snooker, but how much does snooker need Ronnie O'Sullivan?' A honest and candid account of his extraordinary life, Ronnie tells of the infant who was introduced to legendary snooker clubs at an impossibly early age; of the boy who frightened off the bookies aged just 12; of the teenager whose life was decimated when his father and mentor was sent to prison for life; and of the man dubbed the 'genius' of the modern game who regularly threatened to quit the sport to pursue other interests at the grand old age of 28. 'A fine autobiography ... compelling' - Independent 'O'Sullivan is as frank about his spell in the Priory clinic as he is about his father's murder conviction. His accounts of snooker tournaments and sketches of the sport's personalities will fascinate fans, but even snooker haters will be rooting for Ronnie in the game of life' - OK!

If They Only Knew Oct 28 2022 Part feminist, part superhero, Chyna has blazed a trail where no woman had gone before. She has gained the respect of the men inside the World Wrestling Federation, and the world at large. She was the first woman to wear the Intercontinental Championship belt, yet these were not her most significant battles. She has battled her entire life: against a controlling mother; against a scheming father; and against a world with a predetermined view of what beauty and success should be. She has battled and won her entire life. *If they only knew* offers a rare glimpse behind the scenes of the World Wrestling Federation, and a rarer glimpse of what it takes just to get there -- the hurdles that must be overcome... and the broken hearts and broken body parts that are suffered along the way. Chyna -- a.k.a. Joanie Laurer -- lets us in what it's like to live your dream and overcome your nightmares. Complete with insights from other WWF Superstars, this is a must read for any fan of the WWF and for anyone who wants to see how a real-life hero overcame adversity.

The Art of Smart Football Jul 21 2019 Masterfully blending thought provoking analysis with engrossing storytelling, *The Art of Smart Football* examines football's most innovative and enduring strategies and ideas, through the lens of the sport's best coaches and players. *The Art of Smart Football* is an eye-opening, fascinating and accessible contribution to our understanding of America's favorite sport. *The Art of Smart Football* features analysis of football's top strategists and schemes, including: Pete Carroll's aggressive defense Chip Kelly's spread offense and new-school methods The roots of Bill Belichick's defensive genius Gus Malzahn's up-tempo offense The strategies Peyton Manning, Tom Brady, and Aaron Rodgers use to shred defenses Art Briles and Baylor's wide open attack Nick Saban's defensive evolution The book also includes explorations of the newest trends in football, including "packaged plays" that combine runs and passes into one play, "pattern match" defenses that blend man-to-man and zone pass

coverages, how defenses are responding to the spread offense, and much more. Praise for *The Art of Smart Football*: "The Art of Smart Football made me a smarter football writer . . . Football, as presented by these coaches and by Brown, is such an imaginative game. It's a great read: Go buy it." -- Peter King, *The MMQB/Sports Illustrated* "A must read if you are a football junkie." -- Trent Dilfer, *ESPN/13-year NFL Veteran Quarterback* "The best analysis in the game today." -- Rolling Stone "Awesome stuff. I recommend *The Art of Smart Football* to any coach or fan." -- Matt Bowen, *ESPN Columnist/NFL Veteran* "When Chris B. Brown releases a book, you should buy it." -- Bill Barnwell, *Grantland/ESPN* "A deep dive into football. Highly recommended." -- Field Yates, *ESPN* "The Art of Smart Football is a perfect read for anyone looking to take their knowledge of the game up a notch." -- ElevenWarriors.com

Rifke Mar 21 2022 Relates the life of Rosalie Wise Sharp, wife of the man who started the Four Seasons hotel chain.

[The Lion Children](#) May 31 2020 The five McNeice children lived a conventional life in the Cotswolds until, in 1995, their mother Kate, a biologist, seized the opportunity to go and study lions in Botswana. Travers, Emily and Angus, the three middle children, take it in turns to recount their adventures in the Okavango Delta, one of the most beautiful wildernesses on earth, where they must quickly learn to fetch water, dig their own toilet, and discover which creepy-crawlies can kill them. In a Land Rover sometimes driven by 12-year-old Travers, they track prides of lions across hundreds of miles of bush. Their classroom an open hut, they take scientific notes and record their observations of the wild life around them - zebra, giraffe, elephant, impala and much more. Written with a wonderful vividness and immediacy, this is a fascinating book for all animal-lovers, enhanced by colour photographs.

Field Hockey Techniques & Tactics Apr 10 2021 The first book to look at the advanced skills and proficiency in field hockey from the athlete's perspective presents in-depth offensive and defensive strategies.

[Bowie](#) Oct 04 2020 Based on interviews with family members, colleagues, lovers, and the previously silent William Burroughs, this unsparing yet evenhanded biography guides the reader through the many personas, crises, and musical metamorphoses of David Bowie—also known as Davy Jones, the Laughing Gnome, Major Tom, Ziggy Stardust, Aladdin Sane, the Thin White Duke, a drug-addled grandfather of punk, actor, art aficionado, political activist, one of rock's most resonant icons, and a totem of modern pop culture. Nowhere else is the man and musician so convincingly deconstructed and so compellingly humanized.

Modern Science and Modern Thought Feb 20 2022

Oxford Handbook of Neurology Sep 03 2020 Suitable for use on the ward and in clinical settings, this book includes information and clinical guidance passed down by generations of neurologists. It deals with taking a neurological history and examination, including the skills necessary to make a neurological assessment.

Fatal Mistakes Apr 22 2022 *Fatal Mistakes* is a psychological novel that deals with issues surrounding teen pregnancy. With guidance from a psychotherapist, the protagonist discovers that decisions which ignore emotions can wreak havoc in what seems to be a normal life. The plot also interweaves the stories of two minor characters that have experienced similar problems but with different outcomes.

Collected Poems: 1950-2012 Jul 13 2021 The collected works of Adrienne Rich, whose poetry is "distinguished by an unswerving progressive vision and a dazzling, empathic ferocity" (*New York Times*). A Finalist for the 2017 Pulitzer Prize in Poetry. Adrienne Rich was the singular voice of her generation and one of our most important American poets. She brought discussions of gender, race, and class to the forefront of poetical discourse, pushing formal boundaries and consistently examining both self and society. This collected volume traces the evolution of her poetry, from her earliest work, which was formally exact and decorous, to her later work, which became increasingly radical in both its free-verse form and feminist and political content. The entire body of her poetry is on display in this vast volume, including the National Book Award-winning *Diving Into the Wreck* and her prize-winning *Atlas of the Difficult World*. The *Collected Poems of Adrienne Rich* gathers and memorializes all of her boldly political, formally ambitious, thoughtful, and lucid work, the whole of which makes her one of the most prolific and influential poets of our time.

[The Cambridge Companion to Mary Wollstonecraft](#) Aug 22 2019 A collected volume which addresses all aspects of Wollstonecraft's momentous and tragically brief career.

[A Companion to Don Quixote](#) Sep 27 2022 The purpose of this book is to help the English-speaking reader, with an interest in Spanish literature but without specialised knowledge of Cervantes, to understand his long and complex masterpiece: its major themes, its structure, and the inter-connections between its component parts. Beginning from a review of Don Quixote's relation to Cervantes's life, literary career, and its social and cultural context, Anthony Close goes on to examine the structure and distinctive nature of Part I (1605) and Part II (1615), the conception of the characters of Don Quixote and Sancho, Cervantes's word-play and narrative manner, and the historical evolution of posterity's interpretation of the novel, with particular attention to its influence on the theory of the genre. One of the principal questions tackled is the paradoxical incongruity between Cervantes's conception of his novel as a light work of entertainment, without any explicitly acknowledged profundity, and posterity's view of it as a universally symbolic masterpiece, revolutionary in the context of its own time, and capable of meaning something new and different to each succeeding age. ANTHONY CLOSE, now retired, was Reader in Spanish at the University of Cambridge.

Don't Put Your Finger in the Jelly, Nelly! Nov 24 2019 Don't poke your finger in the jelly, Nelly-you might upset a jellyphant! Don't poke your finger in the jelly, Nelly-SNAP! Look out for the hungry alligator! With real die-cut holes for curious fingers to explore, no child will be able to hold back a squeal of excitement as they discover exactly what their fingers have dipped into!

Down the Nile Oct 24 2019 Rosemary Mahoney was determined to take a solo trip down the Egyptian Nile in a small boat, even though civil unrest and vexing local traditions conspired to create obstacles every step of the way. Starting off in the south, she gained the unlikely sympathy and respect of a Muslim sailor, who provided her with both a seven-foot skiff and a window into the culturally and materially impoverished lives of rural Egyptians. Egyptian women don't row on the Nile, and tourists aren't allowed to for safety's sake. Mahoney endures extreme heat during the day, and a terror of crocodiles while alone in her boat at night. Whether she's confronting deeply held beliefs about non-Muslim women, finding connections to past chroniclers of the Nile, or coming to the dramatic realization that fear can engender unwarranted violence, Rosemary Mahoney's informed curiosity about the world, her glorious prose, and her wit never fail to captivate.

[The Collected Letters of Mary Wollstonecraft](#) Nov 05 2020 Mary Wollstonecraft was one of the most distinctive letter writers of the eighteenth century. She talked and thought on paper: her letters were a large part of the drama of her life. In them we see her grow from an awkward child of fourteen into the pioneering feminist and author of *A Vindication of the Rights of Woman*, and finally into the woman of thirty-eight facing death in childbirth. This edition contains the complete correspondence of Mary Wollstonecraft, including a recently discovered interchange with the historian Catherine Macaulay and the only known fragments of letters to the Swiss artist Fuseli, with whom Wollstonecraft had a passionate friendship.

[Water, Power and Identity](#) Nov 17 2021 This book addresses two major issues in natural resource management and political ecology: the complex conflicting relationship between communities managing water on the ground and national/global policy-making institutions and elites; and how grassroots defend against encroachment, question the self-evidence of State-/market-based water governance, and confront coercive and participatory boundary policing ('normal' vs. 'abnormal'). The book examines grassroots building of multi-layered water-rights territories, and State, market and expert networks' vigorous efforts to reshape these water societies in their own image - seizing resources and/or aligning users, identities and rights systems within dominant frameworks. Distributive and cultural politics entwine. It is shown that attempts to modernize and normalize users through universalized water culture, 'rational water use' and de-politicized interventions deepen water security problems rather than alleviating them.

However, social struggles negotiate and enforce water rights. User collectives challenge imposed water rights and identities, constructing new ones to strategically acquire water control autonomy and re-moralize their waterscapes. The author shows that battles for material control include the right to culturally define and politically organize water rights and territories. Andean illustrations from Peru, Ecuador, Bolivia and Chile, from peasant-indigenous life stories to international policy-making, highlight open and subsurface hydro-social networks. They reveal how water justice struggles are political projects against indifference, and that engaging in re-distributive policies and defying 'truth politics,' extends context-particular water rights definitions and governance forms.

[Archives, Ancestors, Practices](#) Mar 09 2021 In line with the resurgence of interest in the history of archaeology manifested over the past decade, this volume aims to highlight state-of-the-art research across several topics and areas, and to stimulate new approaches and studies in the field. With their shared historiographical commitment, the authors, leading scholars and emerging researchers, draw from a wide range of case studies to address

major themes such as historical sources and methods; questions of archaeological practices and the practical aspects of knowledge production; 'visualizing archaeology' and the multiple roles of iconography and imagery; and 'questions of identity' at local, national and international levels.

Polynesians in America Jun 12 2021 This volume presents a synthesis of over a century of academic research on the question of prehistoric trans-oceanic contacts between Polynesia and the New World. Leading experts in archaeology, botany, linguistics, and physical anthropology discuss the latest ground-breaking evidence that supports pre-Columbian Polynesian landfalls in both North and South America.

Governance, Multinationals, and Growth Dec 18 2021 Contiene: Foreword by Peter J. Buckley Part I: Introduction. - Part II: Corporate Governance, Multinationals and Growth. - Part III: Free Trade, Multinationals and Growth. - Part IV: Public Governance, Multinationals and Growth. - Part V: Conclusions.

A Very Brave Witch Sep 15 2021 On the far side of town, in a big, dark, house, lives a brave little witch. She has heard lots and lots about those scary humans and a holiday they call Halloween, but she has never even seen Halloween for herself. Until one very special Halloween comes along... Perfect for trick-or-treaters of all ages, A Very Brave Witch makes for a playful read-aloud that takes the scariness out of the holiday.

Mary Wollstonecraft Jun 24 2022 First published in 1976, this was the first comprehensive annotated bibliography of Mary Wollstonecraft's works and most of the critical and biographical comments on her in English written between 1788 and 1975. It is designed both as a research tool for scholars and students and as a revelation of the quantity and variety of comment. The book is divided into three main chronological time periods of publication date and suggests the vagaries of Wollstonecraft's posthumous reputation and indicates the peaks and troughs of interest. Known as an eighteenth-century British writer, philosopher, and advocate of women's rights, Mary Wollstonecraft has received much critical attention with particular interest in her unorthodox lifestyle of the time and is now regarded as one of the founding feminist philosophers.

Allen & Mike's Really Cool Backpackin' Book Sep 22 2019 The dynamic duo has done it again! Following up on the incredible success of their two previous bestsellers, Allen and Mike's Really Cool Backcountry Ski Book and Really Cool Telemark Tips, these two National Outdoor Leadership School (NOLS) instructors and hardcore backcountry fanatics once again combine their years of experience into a hilarious and vastly informative book on the art of backpacking. Fans know how Allen O'Bannon and Mike Clelland play off each other to provide a one-two punch that makes readers laugh and learn at the same time. Beginning backpackers will cherish the advice, and experts who think they know it all are guaranteed to pick up a few tricks from this book -- while the entertainment value alone is worth the price. From day-hiking to extended expeditions, this book covers the whole spectrum of backpacking adventure and is certain to become a classic of the genre. Allen O'Bannon is a senior NOLS instructor who writes books to support his ski habit. Mike Clelland is a NOLS instructor and illustrator who studied Mad magazine rather than go to art school. When not teaching NOLS classes, they live in Idaho, in the shadow of the Tetons.

Apostles of Light May 11 2021 A revised edition of the New York Times bestselling classic: the epic story of the golden years of American space exploration, told by the men who rode the rockets On October 4, 1957, the Soviet Union launched Sputnik I, and the space race was born. Desperate to beat the Russians into space, NASA put together a crew of the nation's most daring test pilots: the seven men who were to lead America to the moon. The first into space was Alan Shepard; the last was Deke Slayton, whose irregular heartbeat kept him grounded until 1975. They spent the 1960s at the forefront of NASA's effort to conquer space, and Moon Shot is their inside account of what many call the twentieth century's greatest feat--landing humans on another world. Collaborating with NBC's veteran space reporter Jay Barbree, Shepard and Slayton narrate in gripping detail the story of America's space exploration from the time of Shepard's first flight until he and eleven others had walked on the moon.

Children's Rights Aug 14 2021 Scholars in the areas of law, education, psychology, government, and ethics probe the current status of and need for change in the area of children's rights

Yowamushi Pedal Mar 29 2020 Arakita vs Machimiya-who will emerge victorious?!Challenged to an impromptu race where twenty meters decide the difference between winners and losers, Onoda and his hodgepodge "team" struggle to fend off Kureminami's wild beast, Machimiya. The revenge-crazed sprinter is ready to claim victory-until a sudden attack from the sharp-tongued Arakita catches him off guard! Determined to carry Onoda and Manami back to the lead, Hakone's devilish rider won't stop pedaling just yet-not when Fukutomi's orders remain unfulfilled!
