Loup Garron was born and raised in Santa Olivia, an isolated, disenfranchised town next to a US military base inside a DMZ buffer zone between Texas and Mexico. A fugitive "Wolf-Man" who had a love affair with a local woman, Loup's father was one of a group of men genetically-manipulated and used by the US government as a weapon. The "Wolf-Men" were

Eventually, the orphans find an outlet for their frustrations: They form a vigilante group to support Loup Garron who, costumed as their patron saint, Santa Olivia, uses her special abilities to avenge the town. Aware that she could lose her freedom, and possibly her life, Loup is determined to fight to redress the wrongs her community has suffered. He killed them both, and fled the realms of Men and now cares nothing for their fates. A thousand years passed. His only allegiance is to his master, the dark god Satoris, who gave the gift of Life to

the race of Men. Satoris, who rebelled against his elder brother God Haomane who had demanded that gift be taken away. And yet not all tales told are true. A final prophecy has begun to unfold, and the races are uniting in their quest to rid the world of Satoris. The elder gods and goddesses, stranded on the other side of the world, send dreams to spur all to destroy Satoris and Tanaros, but those loyal to their god know a different side of the story and try to defend their citadel of Darkhaven, where Satoris sits in sorrow, controlling his own dominion, seeking neither victory nor vengeance. Satoris's followers capture the beautiful Elvish princess Cerelinde, and without her the Allies cannot fulfill the prophecy. She is a great danger to Satoris-- and a greater danger for Tanaros and all that he holds dear. For she reminds him that not all women need be false... and that though he may be immune to death, his heart is still very much mortal. Goodreads reviewer [Kushiels Avatar](#) Jul 26 2022 A decade of peace has passed in Terre D'Ange, the country founded by the god Elua. Since the world's most famous courtesan saved her queen from assassination, Phèdre n? Delauny has been enjoying a quiet life until a prophetic dream calls upon her to serve her gods one last time. But what they ask may be too painful for even an anguissette to bear. When the young son of

the traitor Melisande Shahrizai—Imriel de la Courcel, who stands third in line for the crown—is kidnapped, Phèdre enters an uneasy bargain to find the boy in exchange for the information that will free her beloved childhood friend Hyacinthe from his eternal imprisonment as the new Master of the Straits. When it becomes clear that Imriel's disappearance is part of a larger, far darker scheme, Phèdre knows it is her sacred duty to end it. At her side is her loving consort Josselin, who will also risk losing himself in Phèdre's gamble to rescue Imriel and save her country from a spreading darkness. And beyond her doubt, her fear, dangles the promise of a holy mystery so great that it could transform Phèdre into justice incarnate... or consume her in the flames of her own passion. All of Phèdre's journeys have led here, to the grandest of conclusions in an epic tale of fantasy, adventure, and, above all, love. Kushiell's Avatar is the stunning conclusion to Jacqueline Carey's epic trilogy. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Knight in Retrograde Aug 03 2020 Would you trade uncertainty for stagnation, chance for god, invention for inertia, thought for dogma? Four years have passed since the events of Dynamicist and war is on the horizon. Robert, Korla, Eloise and Gregory went to the New School, hoping to change the world. They thought that mathematically based dynamics, the enlightened age's answer to wizardry,

would give them the power to make everything better. Their hopes were naive. Protestors are condemning the creation of a new vaccine. The city is seeing a series of hangings; is it murder or sacrament? The cloaked man is back stalking students. The long-absent demons Skoll and Hati reappear and begin slaughtering whoever they meet. But the real question is, will Nimrheal return? If he does, who will die first? Uncertainty is inspiring fear, and inventions are not making the world better, only more complicated. The terrified civilians don't want dynamics and reason. They want the word of Elysium and the return of the Methueyn Knights. Korla fears the world faces an awful conundrum: that if the Knights return, Nimrheal will stay. Will Robert, Korla, Eloise and Gregory choose to transform into angelic knights or, at the cost of such heavenly communion, instead banish Nimrheal? What price will be paid? If a new Methueyn Knight rises, will the age of invention disappear forever?

The Pemkowet Visitors Bureau has always promoted paranormal tourism—even if it has downplayed the risks (hobgoblins are unpredictable). It helps that the town is presided over by Daisy Johanssen, who as Hel's liaison is authorized by the Norse goddess of the dead to keep Pemkowet under control. Normally, that's easier to do in the winter, when bracing temperatures keep folks indoors. But a new predator is on the prowl, and this one thrives on nightmares. Daisy is on her trail and

working intimately with her partner and sometime lover from the Pemkowet PD, sexy yet unavailable werewolf Cody Fairfax. But even as the creature is racking up innocent victims, a greater danger looms on Pewkowet's
